We do not discriminate based on race, color, gender identity, sexual orientation, ethnicity, financial status, ability/disability, or medical condition. (if your child is ever suffering in a state of unhealth, we would be glad to support him or her through our holistic healing center, Vibrant Life; we believe that every human being has the potential to become healthy despite any circumstance or condition.)

Please answer the following questions as completely as possible so that we can make sure that our school and your child are a good fit for each other, and so that our teachers can prepare for any special considerations, accommodations, and care that apply to your child.
